

JEREMY JOSH A. PARRA

Vibe Coder

0924-388-0193 joshjeremy027@gmail.com

ABOUT ME

"When I'm not deep in a code editor, I'm usually exploring how my other passions intersect with tech. I'm a huge music lover (my coding playlists are meticulously curated), an avid game who appreciates brilliant UI and immersive world-building, and an experimental home cook who treats a new recipe exactly like a fresh coding project—balancing raw elements until the final result hits just the right vibe."

EDUCATION

2019 - 2023
